WORK EXPERIENCE

Customer Service Representative

June 2021-Present

LCBO, Ottawa, ON

- Managed sales using a Point-of-Sale system, supporting revenue generation system making sure customers were given the right amount for cash change
- Communicated with clients in a high-stress environment while prioritizing customer needs, promoting customer satisfaction
- Interacted and created positive experience with customers, co-workers, wholesale and trade representatives, creating a positive work experience

COVID-19 Ambassador

September 2021-April 2022

Carleton University, Ottawa, ON

- Utilized the Thrive application to electronically screen individuals entering designated buildings
- Working with a team and paying attention to details to ensure the completion of the screening process
- Providing a high level of Service Excellence being first point of contact for guests and the public
- Escalated situations involving conflict to Site Facilitators, supporting a safer Carleton University community

APPLIED PROJECTS

Restaurant Management and Ordering System

- Designed a website using a mixture of **JavaScript, HTML, CSS, MongoDB** and **Sessions** to design a website that manages different restaurants and customers
- Coded a **server-client relationship** that allows new customers to create an account, old customers to login

Electronic Store Application

- Developed an Electronic Store Application in **Java** using **Graphical User Interface (GUI)**
- Used **Event Handling** to control the functions of the buttons

Random Number Game

- Created a program in **python** that makes you guess the random number selected by the code
- Demonstrated **computational skills** by calculating the difference between the guess and the actual value

Drawing a Picture

- Used **Turtle graphics** to draw a castle in **python**
- Created the background for the drawing using **Python User Input**

VOLUNTEER EXPERIENCE/ EXTRA-CURRICULAR ACTIVITIES

Unified Support Centre Volunteer

March 2022-Present

Carleton University, Ottawa, ON

- Prepared hampers of food and essentials for Emergency Essential Assistance Program service recipients, providing urgent support to students in need
- Conducted safe-walk by accompanying individuals to the destination of their choice, ensuring their safety and well-being they felt safe
- Patrolled campus to increase Unified Support Centre visibility on campus, increasing student awareness

International Orientation Ambassador

June 2021-Present

Carleton University, Ottawa, ON

- Developed content with a team for online events and facilitating events for international students at Carleton University to help new student navigate the university
- Communicated with and answering questions from incoming international students supporting a positive student experience

ISSO Black History Month Committee Volunteer

January 2022-March 2022

International Student Services Office

- Collaborated with Committee members to develop, organize, and implement Carleton's inaugural ***"Black Experiences in A Foreign Land: Black International Student Panel and Club Showcase"***
- Identified, created, and executed engaging activities to correspond with intended program outcomes
- Liaised with campus partners to identify event panelists and club showcase representatives
- Facilitated/participated in a panel discussion dedicated to supporting Carleton University's Black international student community
- Executed on-site event logistics, including registration, technical support, and food set-up
